\*Ethereal Folk and Ethereal Spot are specially recommended for paneling, as joints will be clearly apperceived in edge against edge installation.

All specifications are based on average values and may deviate. The values are for guidance and not contractual. Subject to technical modifications.

The straight weft is not an inherent condition. Weaving technology features colour effects because of light, making it an exclusive and unique product. Also bicolour yarns create a randomly harmonious effect. These effects are no ground for claims.
